By participating in an experience group session and providing verbal consent at the beginning of the online session:

I confirm that I have read and understood the information about the project in the "project information sheet" dated January 20, 2022.

I understand that my participation is voluntary and that I am free to withdraw from the project at any time, without having to give a reason and without any consequences.

I understand that I can withdraw my contributions, including data from the project, at any time.

I understand that any information recorded in the interview will remain confidential and no information that identifies me will be made publicly available.

I consent to use of my non-identifiable information (for example, a quote of something that I say) in publications, for sharing with University of Texas at Austin Value Institute faculty or students and for archiving as explained in the Participant Information Sheet.

I consent to the audio and/or video interview being recorded as part of the project.
